先看这两页：如何使用与如何判定质量

本册是综合改写后的英语二写作手册。A01—A26 按应用文功能与格式分类；B01—B10 按材料形式及数据关系分类。相近文体有可迁移的表达，但答复信仍须逐项回应来信，混合任务题必须完成题干的每一个动作。

按下面的顺序套用

1. 圈出身份、对象、文体和任务动词。先在草稿纸写出任务一、任务二；若有第三项，也要落实到正文。
2. 选最接近的模板，把【】中的提示全部换成英文。模板保留固定句法；示例展示同一类任务怎样写具体，不要求与模板逐字对应。
3. 优先填写题目明示的信息。题目允许时可以合理补充活动细节；图表数值、比例、时间、单位则必须照材料写。
4. 换题后重读整篇：主语、代词、时态、单复数、活动名称和结论要一致。删去与本题无关的句子，再统计词数。

占位提示	该填什么	示例
动词原形	不带 to 的动词短语	review the draft
动名词	doing 短语	reviewing the draft
完整分句	主语 + 谓语；不自带句末标点	the opening hours are inconvenient
完整句	包含主语、谓语及句末标点	The proportion rose to 45%.
陈述语序疑问词从句	嵌入问句；不再次倒装	when the course begins

字数、格式和优先顺序

以实际题干为准。常见英语二小作文要求约 100 词、大作文约 150 词；“约”不等于固定下限。本册给的是完整示例的统计值，占位模板不标虚假的成文词数。英文缩写及连字符词通常算一词，数值算一词；具体分词方式可能产生少量差异。

正文词数不包括称呼、结束语、姓名；通知标题和落款、纪要 / 备忘录信息栏也另列。各示例另注明这些格式信息的词数，方便核查。考场是否需要日期、标题、邮箱或特定落款，先看题目要求。

先练书信常见任务、活动通知和静态 / 动态图表；然后熟悉纪要、备忘录和复合材料的结构。这是使用顺序，不是对下一次考试题型的预测。

以用户给定批改指令为标准

以下档位来自 S09《考研英语批改指令》PDF 第 5、6 页，是该文件整理的练习评分参考，不冒充官方评分细则。采用的是内容、语言、结构和格式的综合评价，不按复杂句数量计分，也不编造“每少 10 词扣 1 分”等规则。

小作文／**10** 分	本册落实方式
8—9；充分优秀可 10	完成全部任务；语言准确自然、有变化；格式与双方关系匹配。
6—7	主要要点完整；偶有错误；组织清楚、语气适合。
4—5	多数要点覆盖；部分语言问题不妨碍整体理解。
2—3 / 1 / 0	依次对应重要遗漏或语言影响理解、基本未完成、无可评价内容。

大作文／**15** 分	本册落实方式
13—15	数据描述准确，任务完整，评论贴题且有展开；语言准确、层次清楚。
10—12	主要要点完整，语言较丰富；偶有错误，整体连贯。
7—9	多数要点覆盖；描述评论基本合理；错误不妨碍理解。
4—6 / 1—3 / 0	依次对应重要遗漏或理解偏差、严重偏题且难以表达、无可评价内容。

本册每篇都按这五项核对

1. **任务**：请求邀请时明确邀请，请求建议时给行动和理由，要求征求意见时写出问题。
2. **语言**：选择常用但准确的动词和搭配；有短句也有适量从句，不为“高级”增加错误风险。
3. **组织**：每一段有任务；句子之间共享具体主题，不靠反复套用 firstly、moreover 撑起逻辑。
4. **图表**：先描述可见事实，再以 may/could 等表达合理解释；静态类别、不同人群、时间趋势分别处理。
5. **格式**：书信有称呼和署名；通知告示有标题和发布者；纪要记录决议与分工；备忘录突出收发信息和行动。

本册没有给模板预判“稳拿几分”。实际得分还取决于当场是否切题、信息是否完整、替换后语言是否正确及书写是否清楚。

完整套用示例

正文 101 词；标题 / 称呼 / 落款等另 6 词

Dear David,

For your weekend visit, I would choose the City History Museum. It seems a good match for your interest in everyday life in China.

The displays explain how local families lived, worked and celebrated festivals. Short English descriptions make the stories easy to follow, even without much background knowledge. There is also a workshop where visitors can try traditional printing. You could therefore learn about the past while making something yourself. I suggest going early, since this would leave you enough time for both the exhibition and the workshop.

Tell me if you decide to go; I would enjoy joining you.

Best wishes,
Li Ming

好词好句：优先记这三处

a good match for —与……很合适

background knowledge —背景知识，不可数

leave ... enough time for ... —给……留出足够时间

Dear Project Coordinator,

May I recommend Chen Yu for the museum guide position? We worked together on a campus history project last term, so I have seen how carefully she prepares and communicates.

She can explain unfamiliar ideas in clear English and is patient with questions. During our project, she turned several difficult historical accounts into short stories that visitors could easily understand. She also checked every date against the original records. These habits would be useful when guiding groups with different levels of knowledge.

I believe she could make a reliable addition to your team. I can provide further details about our work if needed.

Yours sincerely,
Li Ming

Dear Jack,

Your presentation sounds interesting, and a few simple steps may make the preparation easier.

Start by choosing one question that you want your audience to understand. Collect two or three examples to answer it, instead of including every fact you find. Next, practise aloud with a timer. This will show you which parts need shortening and help you speak at a comfortable pace. You could also ask a classmate to listen and point out anything unclear. Keep the slides brief so that people can focus on what you say.

I would be happy to listen to a practice run this weekend.

Best wishes,
Li Ming

Best wishes,
Li Ming

完整套用示例

正文 102 词；标题 / 称呼 / 落款等另 6 词

Dear Jack,

For our survey on the reuse of unwanted items, I suggest starting with the student residences. This would let us reach people who regularly exchange books and household goods.

We could prepare five short questions about what students exchange and what difficulties they encounter. I can draft the questions, while you arrange interviews with a few residents. After collecting the answers, we could group the main problems and discuss possible improvements. Saturday morning would work for me, but we should check when the residents are available.

Dear International Students,

Our campus storytelling exhibition will open next month, and I hope you will contribute a story from your hometown.

The exhibition will explore how ordinary places become part of people's memories. Each participant will provide one photograph and a short English description explaining its personal meaning. We will display the contributions in the student centre and hold a discussion on the opening afternoon. No special writing experience is required; a clear and honest account is enough. 完整套用示例

正文 108 词；标题 / 称呼 / 落款等另 7 词

Dear Professor Smith,

Now that my presentation is over, I want to thank you for helping me prepare it. Your advice made a real difference to how I explained my ideas.

When my first draft was too broad, you helped me choose a clear question and remove unrelated material. You also showed me how to use examples instead of reading directly from my notes. As a result, I felt more confident and could respond calmly to the audience's questions. More than the presentation itself, I value the careful way of thinking that you encouraged.

Dear Professor Smith,

Could you spare some time to review the questionnaire for our student reading survey? I would value your advice before we distribute it next week.

完整套用示例

正文 150 词

Reading preferences are divided among three formats in the pie chart. Printed books lead with 45% of the students surveyed, compared with 35% for electronic books and 20% for audiobooks. Print is the largest category, although digital formats together attract more than half of the respondents.

The pattern may reflect the different situations in which people read. A printed book can offer a focused experience away from screen notifications. Electronic books, meanwhile, are easy to carry and search, while audio allows reading to fit around other activities. These advantages help explain why no single format attracts everyone. Preference may depend on the task as much as on the reader.

Libraries could respond by offering a balanced collection and helping students choose suitable formats. The aim should be to make useful reading easier, with different resources supporting different needs. A popular format is valuable when it serves a clear reading purpose.

好词好句：优先记这三处

the students surveyed —受调查的学生；不要写全部大学生

a focused experience —专注的体验

a balanced collection —均衡配置的馆藏

核对重点：45% 是最大项，不是 majority；只有互斥且同一总体的类别才能相加。这里电子书与有声书合计 55%。

来源线索：S01、S04、S11、S17、S35；静态对比与需求分析综合重写。

B02 静态多选：柱状图／调查动机

新编数据：居民选择社区课程时的考虑因素，可多选：时间方便 68%，实用内容 56%，低费用 42%，结交朋友 27%。要求描述并评论。

行文路线：按选择率排序 → 说明多选口径 → 解释主要因素 → 对应措施

正文 147 词

Convenient timing is the most frequently selected reason for choosing community courses, mentioned by 68% of respondents. Practical content follows at 56%, while low fees and opportunities to meet people receive 42% and 27%. Since respondents could select several reasons, the percentages describe overlapping preferences rather than parts of a single total.

These results suggest that a course must first fit into people's daily lives. An interesting class may still be difficult to attend if it conflicts with work or family duties. Practical content can provide an additional reason to participate because learners can use what they learn outside the classroom. Price also matters, though it is selected less often than timing or content.

Organisers could therefore offer several time slots and explain the practical value of each course. Keeping fees reasonable would further improve access. Such arrangements would address the concerns actually reported in the survey.

好词好句：优先记这三处

overlapping preferences —可重叠的偏好

conflict with work or family duties —与工作或家庭责任冲突

offer several time slots —提供多个时段

核对重点：多选合计 193% 并非数据错；不能写剩余比例，也不能把 68% 与 56% 相加后称为 124% 的人。

来源线索：S09 第 5 页、S17、S35；静态多选口径综合新编。

B03 静态表格：不同群体的对比

新编数据：三个年龄组对某社区服务满意 / 一般 / 不满意的比例：18—29 岁为 65 / 25 / 10%，30—49 岁为 50 / 30 / 20%，50 岁及以上为 70 / 20 / 10%。要求描述并评论。

Satisfaction with the community service varies across the three age groups in the table. The figure is highest among residents aged fifty and above, at 70%, and lowest among those aged thirty to forty-nine, at 50%. The youngest group records 65%. Dissatisfaction reaches 20% in the middle group, twice the level in either of the other groups.

Different needs may help explain this contrast. Residents balancing employment and family care may find standard service hours less convenient. Older users may value regular personal assistance, while younger adults may prefer quick online access. These are possible explanations, and further feedback would be needed to identify the actual problems. The figures alone do not reveal individual experiences.

A useful response would be to ask each group what needs improvement and test flexible service hours. Improvements should address specific difficulties while preserving features that users already value, rather than treating all residents alike.

好词好句：优先记这三处

twice the level in ... —是……水平的两倍

preserving features that users already value —保留使用者已经认可的特点

treating all residents alike —以同一方式对待所有居民

核对重点：年龄组之间的比较不代表同一批人随年龄增长的变化；不同分母的百分比不可直接相加为整体满意率。

来源线索：S01、S09、S17、S35；表格与群体对比综合重写。

B04 动态单指标：上升／下降

正文 150 词

Public transport accounted for a growing share of journeys in the city between 2020 and 2024. The proportion increased from 30% to 36% in 2022 and reached 45% by 2024, a total gain of fifteen percentage points. The increase was larger in the second half of the period.

Several practical factors may have encouraged this shift. More convenient routes could make public transport a realistic choice for journeys that once required a car. Reliable arrival information may also reduce uncertainty and make transfers easier to plan. Lower travel costs would provide another incentive, especially for people who commute regularly. These possibilities link the trend to everyday decisions, although the chart itself does not establish the causes.

To sustain the improvement, the city should focus on reliability, connections and access for people with limited mobility. A service that works well in ordinary situations is more likely to remain useful over time.

好词好句：优先记这三处

a total gain of ... percentage points —共增加……个百分点

provide another incentive —提供另一种动力

people with limited mobility —行动不便者

核对重点：30% 到 45% 是上升 15 个百分点，也相当于相对增长 50%；下降题须同步改首句 growing、第二段 shift 与结尾 improvement 的评价。

来源线索：S01、S04、S17、S26、S30；动态描述与机制分析综合重写。

B05 动态多指标：升降对照／结构变化

新编数据：某校毕业去向，2020 年直接就业 60%、继续升学 25%、其他 15%；2025 年分别为 45%、40%、15%。要求描述并评论。

正文 150 词

The chart shows a change in graduates' plans between 2020 and 2025. Direct employment fell from 60% to 45%, while further study rose from 25% to 40%. Other choices remained at 15%. Employment was still the largest category in 2025, but its lead over further study narrowed from thirty-five to five percentage points.

One possible explanation is that more graduates see additional education as useful preparation for specialised work. They may also want time to explore their interests before committing to a career. Meanwhile, direct employment continues to offer immediate income and practical experience. The changing shares therefore need not mean that one route is suitable for everyone. Costs, interests and career requirements can lead to different reasonable choices.

Universities should provide information on both employment and further study, including their demands and likely benefits. Advice based on individual circumstances would help students choose a route they can realistically pursue.

好词好句：优先记这三处

its lead ... narrowed —其领先幅度缩小

commit to a career —确定职业方向

individual circumstances —个人具体情况

核对重点：占比下降不能推出就业人数下降；没有毕业生总人数，就只讨论份额。最大类别与增长最快类别也不是一回事。

完整套用示例

正文 155 词

Annual visits to the public library followed an uneven upward path from 2021 to 2024. They rose from 120,000 to 180,000, slipped to 160,000 in 2023, and then reached 200,000 in the final year. Despite the temporary decline, the final figure was well above the starting level and was the highest recorded.

This pattern may reflect both growing demand and changes in how easily people could use the library. Attractive events can bring in more visitors, while opening hours and access conditions may affect attendance from year to year. A temporary fall should therefore be interpreted alongside the longer pattern. It does not by itself show that residents have lost interest in reading.

The library could compare attendance with its programme schedule and collect visitors' feedback before making changes. Maintaining dependable services and offering useful activities would be a sensible response. The priority is to understand the variation and improve the experience behind the numbers.

好词好句：优先记这三处

an uneven upward path —有波动的上升过程

slipped to —小幅回落至

the highest recorded —图中记录的最高值

核对重点：有中途下降就不能写 rose steadily。此处统计到访人次，不是独立访客人数，不能把 visits 换成 visitors。

来源线索：S01、S17、S26；转折与统计对象辨别综合新编。

B07 双图表：规模与使用情况

正文 150 词

The two charts describe the provision and use of public parks in a city. Park numbers increased from forty in 2019 to sixty in 2024. In the survey for 2024, half of residents reported visiting a park at least three times a week, while only 15% went less than once a week.

Together, the charts show expanded provision alongside frequent use. More nearby parks may make outdoor activity easier to fit into everyday routines. Safe paths, comfortable seating and space for exercise can also make visits appealing to different age groups. However, the data do not establish that the increase in park numbers caused the reported visiting pattern. Location and service quality may matter as much as the total number.

Future planning should therefore consider where parks are needed and how existing spaces are used. Listening to residents would help turn additional facilities into accessible places that support regular activity.

好词好句：优先记这三处

provision and use —设施供给与使用情况

alongside frequent use —与频繁使用并存

as much as the total number —与总数量同样重要

核对重点：第二幅图只有 2024 年，不能写居民访问频率“上升”。两图相关不能直接证明因果；先读清各图年份与单位。

来源线索：S01、S15、S17；双图综合与谨慎联系重写。

B08 图画材料：行为对比与寓意

新编图画题：两名学生准备同一份报告。一人只复制屏幕文字，另一人边阅读边记问题，并与同伴讨论。要求简述画面、解释寓意并评论。

完整套用示例

正文 152 词

Two students are preparing the same report in different ways. One simply copies words from a screen, while the other writes down questions and discusses them with a classmate. Their contrasting actions draw attention to the difference between collecting information and understanding it.

Easy access to material can make learning faster, but speed alone does not ensure understanding. A student who asks why an explanation works is more likely to notice gaps and connect ideas. Discussion adds another useful step: explaining a point to someone else can reveal whether it is actually clear. Copying may produce a finished page, yet it offers little help when the learner must solve an unfamiliar problem.

A practical response is to turn reading into an active process. Students can summarise ideas in their own words, test them with examples and ask questions about unclear parts. These habits give the information a purpose beyond completing an assignment.

好词好句：优先记这三处

notice gaps and connect ideas —发现缺口并联系知识

in their own words —用自己的话

beyond completing an assignment —不止用于完成作业

核对重点：只在题目实际给图画时使用；不用英语一 20 分、160—200 词口径。画面未出现的心理和身份不要写成事实。

来源线索：S01、S03、S11、S15、S21、S28；图画写法按英语二篇幅重写。

完整套用示例

正文 153 词

The passage argues that online learning should replace classroom teaching because it offers greater convenience. I agree that flexibility is valuable, but I do not think convenience alone justifies replacing one form of education with another.

Online lessons allow students to revisit explanations and study when travel is difficult. These benefits can widen access to learning. However, a classroom also provides immediate discussion, shared practice and opportunities for teachers to notice confusion. For example, a student conducting a simple experiment may need direct guidance that a recorded video cannot provide. Different subjects and learners therefore call for different arrangements. The quality of teaching matters alongside the method of delivery.

A better approach is to combine the strengths of both forms where appropriate. Schools can use online resources for preparation and review while keeping classroom time for interaction and practical work. The choice should follow learning needs rather than a general preference for convenience.

好词好句：优先记这三处

justify replacing ... —构成替换……的充分理由

where appropriate —在适宜的情况下

the method of delivery —教学内容的传递方式

核对重点：必须回应材料真正的主张；如果题目问同意程度，要明说。不要把所有文字题都强套"问题—原因—措施"。

来源线索：S01、S11、S15、S17、S21、S28；材料观点与有限同意论证重写。

正文 152 词

In the drawing, a volunteer helps an older patient use a hospital self-service machine. The accompanying chart shows how residents aged over sixty book appointments: 55% use an app, 30% telephone the service and 15% visit in person. Together, the materials highlight both the reach of digital services and the continuing need for support.

An app can save travel and waiting time, especially for people who use smartphones confidently. Yet some residents may find unfamiliar instructions or small text difficult to follow. The volunteer's assistance illustrates one way to bridge that gap. The booking figures show that a substantial minority still choose other channels, although they do not tell us why each person makes that choice.

Hospitals should improve digital interfaces while keeping telephone and personal assistance available. Clear guidance and patient support would allow more people to benefit from convenient services without making a particular technology a condition for receiving care.

好词好句：优先记这三处

the accompanying chart —随附图表

bridge that gap —弥合这一差距

a substantial minority —占比不小的少数群体

核对重点：app 占 55% 可称 majority；选择电话或现场合计 45%，不能由此断定 45% 的人不会用手机。画面与统计样本范围要分清。

来源线索：S01、S15、S17；图画与图表联系综合新编。

表达速查：把好句用在合适的地方

本册每篇的三条表达共 108 条，既包含实用词组，也包含可迁移句法。下面这些结构优先掌握；每次选与任务有关的两三条，不要把整页连续塞进一篇作文。

有依据的推论	The example suggests that ...	先有例子，再给推论。
具体改进	collect users’feedback before ...	先收集反馈，再改变安排。

从“显得高级”转向“说得准确”

increase / rise 通常比不自然的 ascend 或 augment 更好用；the proportion of... 用于比例，the number of... 用于数量；information、advice、equipment 通常不可数。不用为了避重复把所有 people 替换成 individuals 或把 letter 替换成 missive。

图表与语言：交卷前的核对表

容易混淆处	准确写法或判断
30% → 45%	rose by 15 percentage points；相对增长为 50%，不是 15%。
数量 120 → 180	rose by 60；相对增长 50%；rose to 180 是升至 180。
45% 为最大项	the largest share；未超过 50%，不用 a majority。
不同群体的数据	18—29 岁与 50 岁以上的对比，不是时间上的增长过程。
只有起点终点	能说 increased，不足以证明 steadily ／ 持续平稳。
多选合计超过 100%	可合理；各类别重叠，不能计算“剩余人群”。
份额下跌	不能在未知总体时断言数量下跌。
人次与人数	visits 是人次；visitors 是访客人数，两者不互换。
两幅图相关	can suggest a possible link，不等于证明因果。
过去数据与当前解释	已结束年份的数据用过去时；一般机制可用现在时。
副词与形容词	rose sharply；a sharp rise；不要 a sharply rise。
两个并列数据	A and B were 20% and 30%, respectively；顺序必须一一对应。
建议信动词	suggest doing ／ suggest that you do；不是 suggest you to do。
期待与道歉	look forward to hearing；apologise to somebody for doing。
咨询中的从句	Could you tell me when it begins?；从句不用 when does it begin。
单复数	the number of students is ...；a number of students are ...。

60 秒终检

逐一划去任务清单上的要点；核对图表标题、对象、年份、单位和数字；检查每段是否有具体信息；核对称呼和 Li Ming；检查第三人称单数、时态、冠词、单复数、拼写；最后删去占位提示。

同类题复习时可以只背一篇完整示例，但必须另练一次换题：先只看中文任务写出结构，再用新数据或新活动填内容。若某句离开示例就不会改，优先把那一句改成自己能准确写出的短句。

文字重合检查：方法、结果与边界

为落实“不与任何一个文件相似程度大于 50%”，本册采用公开、可复核的文字重合指标。它衡量英文原文复用，不衡量意义相似度，也不能代表某个商业系统的查重结论。以下结果仅适用于本次版本及已经识别出的文本。

比较范围与计算方法

处理用户给出的 40 个 PDF，共 1164 页（含重复文件及 408 大纲）。可提取的正文使用 PDF 文字层；扫描正文或乱码文字层经 macOS Vision 识别。S07 使用工作区已保存的完整 OCR；S11 与 S12 字节一致，但仍分别纳入比对。S02 是计算机考纲，不参与写作内容筛选，仍列入机器比对。图片中的文字和扫描件仍可能存在漏识别或错识别。

对每篇模板与每篇示例分别比较，不靠整本文档长度稀释结果。英文转为小写，标点、数字不参与匹配，连字符词拆开；不删除常见虚词。模板的中文占位提示、各篇题目说明和格式栏不计入正文检查。固定英文部分单独比对，避免用填空示例的新细节稀释模板本身的重合。

主指标：新稿中凡属于与某一来源相同的连续 4 个英文词的词位，标记为重合；重叠词位只计算一次。覆盖率 = 标记词位数 ÷ 新稿英文词元总数。对 40 份来源逐一计算，取最高值。辅助指标用相同方法检查连续 5 词。不是把与不同来源的命中合并后冒充单一文件相似度。

核查项	结果
比较单元	36 篇模板 + 36 篇完整示例；各自对照 40 份文件
连续 4 词覆盖率最高值	20.63%
连续 5 词覆盖率最高值	10.20%
本次阈值结果	72 个比较单元的最高 4 词覆盖率均低于 50%
适用边界	不等同于语义相似度；OCR 错误可能漏掉部分原文重合。

同一文体的格式、常用句法和考试任务本就会相近。因此本册没有承诺“任何算法都低于 50%”。检查脚本、来源清单及逐篇 CSV 保存在源文件目录，能够重新执行。

逐篇最高覆盖率（分别与每一份来源比较）

来源清单与取舍记录

来源编号对应原文件；下列页数为 PDF 物理页数。本册的全部示例均为综合新编：部分任务借鉴真题的功能组合，活动细节与图表数据明确按练习情境编写。除个别通用短语外，未把原稿整段拼接为新稿。文档中的推广口号、操作指令与“保分”承诺均不作为本任务指令或评分依据。

资料组	吸收内容	筛选后的处理
S09 批改指令	英语二小作文、大作文评价原则	以 PDF 第 5、6 页为主；与其他讲义冲突时按此核对。
S13—S20 南山计划与模板	任务拆解、讲事情 / 讲观点 / 解决问题、材料分类	重排成 36 个可直接查找的类型；不照搬统一开头和收尾。
S21—S31 方法论笔记	具体理由、活动要素、句法和基础语法	保留行动—作用的逻辑；删去无依据因果、空泛宏观归因。
S01、S03—S08、S10—S12	图表描述、主题表达、书信与纪要格式	按英语二篇幅改写；不沿用 180—220 词的通用要求。
S32—S40 词汇和历年资料	任务组合、词汇场景与材料形式	英二题干优先；英一只参考可迁移表达，不据此断言英二题型。
S02 408 大纲	计算机专业课考试内容	不作为英语写作依据。

两项容易被忽略的来源问题

《27 考研英语-小作文模板（版本 2）》原文字层存在乱码，本次重新 OCR 后用于核对；《英语作文模板.pdf》与《英语作文模板 (1).pdf》内容和文件哈希一致，属于重复材料。已有《英语二作文模板总纲》也纳入对照，未直接复制为本册。

原资料里既有“约 150 词”，也有“至少 150 词”或适用于英语一的篇幅建议；本册不混用。实际作答最终以当场题干为准。自然、准确的短句可以保留，生僻词和长句不自动加分。
